

## MIDDLE SCHOOL CLUBS AND AFTER-SCHOOL OPTIONS

Friends School offers a number of before and after school options for middle school students to do fun things, enrich their learning, and build relationships. We are proud of the number and variety of options we can provide, especially for a small school.

It may be necessary to choose between several options, and we believe that making those sorts of decisions is important to practice. Not easy! To help with planning, we are providing an overview of all the options that we plan to offer at this time. That way you can talk it over as a family to decide which, if any, options you would like to enroll in.
