

Dear families,

With great joy, effort and creativity, our team is proud to share this [Distance Learning Manual](#). In it you find the main framework of how Distance Learning will work beginning Tuesday, April 7.

Next Friday we will send out more detailed information from each teacher, and Monday April 6 Sara and I will host a community forum (via Zoom) for anyone wanting to hear more directly from us.

And that (recorded video message) is enough from me on a sunny Friday afternoon. As much as possible, enjoy a slow and safe spring break. Here again is our [Resource List](#) if you're looking for some creative things to do. We look forward to welcoming you back on April 7.
