

Friends School OF MINNESOTA

Middle School Science Teacher

Friends School of Minnesota is seeking a teaching candidate excited to share the wonders of science with middle school students grades 5-8 in a child-centered, student-driven, progressive education program. As a small school, with small class-sizes, we build deep relationships with students, their families, and staff and administration.

Environmental education, environmental action, and environmental justice are a part of the curriculum here.

Visit FSMN.org to learn more about the school and email joem@fsmn.org with a cover letter, resume, and three references with current contact information to apply.

Position will remain posted, with rolling interviews until filled.

Start date is August 30, 2021.

Position

- 10-month (late August - mid June), full-time w/ full healthcare and benefits.

Salary Range

- \$40-65,000 depending on experience.

Qualifications

- Bachelor's degree or post graduate work in science/science education. (Additional stipend for MA)
 - Teaching experience and teaching licensure preferred. (Additional stipend for licensure)
- Excellent verbal and written communications skills.
- Demonstrated leadership and facilitative skills.

Physical Requirements and Work Environment

- Work in a highly engaging environment dealing with a wide variety of challenges, deadlines and a varied and diverse array of contacts.
- Work at a desk and computer for extended periods of time.
- Be able to lift up to 30 lbs.
- Work in a traditional climate controlled school/classroom environment.
- Work outside in a variety of environments and weather conditions, including extreme heat and cold.
- Supervise students on field trips and overnight trips.
 - Additional stipend for overnights
