

Snow Tubing at Buck Hill

Friends School Middle School Social Night

When? - Meet in the parking lot at FSMN at 6:00 pm on Friday January 19th. We will return to the same parking lot by 10:00 pm.

What will we do? - We will ride to Buck Hill (Burnsville, MN) using our buses. Students can snow tube down the hill or sit by the fire pit with their friends.

Cost? - **\$30 per participant.** This fee covers the cost of tube rental at Buck Hill, transportation to and from Buck Hill, and staff supervision. Due to the fixed, external costs of this event, tuition aid is not available.

What to bring? - Students should bring extra layers. Students can bring a few dollars for hot chocolate if they would like.

Weather? - We will go whether it is warm or cold. Buck Hill makes its own snow so this will not be weather dependent.

Siblings & Parents? - Generally we invite non-middle school siblings and parents to attend Outdoor Club events. In this case, because this is intended to be a social event for our current middle school students, we are limiting participation to just current 5th-8th graders.

PLEASE NOTE:

- Due to the fixed external costs of this event tuition aid is not available.
- Since our buses have a maximum capacity of 40 students - transportation to and from Buck Hill is limited to the first 40 participants. Students who sign up after we have received 40 registrations will still be welcome to attend but will need to provide their own transportation.
- If you will be driving your student to and from Buck Hill, please have them there at 7:00 pm and pick them up at 9:00 pm.
