Sept. 17, Oct. 1, Oct. 15, Nov. 5, Nov. 19, Dec. 3, Dec. 17
(Additional dates/times could potentially be added, depending on student interest, energy and the projects we work on.)

Where: Meet in The Spruce Room

Cost: There is no charge to be in Environmental Action Club.

Middle school friends, get together in this service club to help FSMN be good stewards of the environment! You'll meet with Steve twice a month to identify and tackle projects the group decides to pursue. In years past students have learned to build rain barrels, organized our school's participation in the March for Science, gathered milkweed pods for monarchs, led Open Lab activities, advocated for pollinators...and many other great things! **Grades 5-8.**

Note: There will be a spring term of Environmental Action Club. Look for details and registration coming later this fall.
