

About Homework Club

Friends School offers Homework Club for 75 minutes (3:00-4:15) after school to students in **grades five through eight** who need help organizing and completing their homework.

A student may register for Homework Club on Tuesdays and/or Thursdays, depending on the amount of homework they have and how much they are capable of doing independently. Please ask your student's advisor or teachers for their recommendation if you are unsure how much school-based homework completion support would be best for your child.

Please understand that Homework Club is not tutoring. Our goal is for students to be able to complete homework on their own. We encourage their growth in organization, time management, focus, and the ability to prioritize. We do not offer specific subject area tutoring. If your student regularly needs that level of one-on-one attention to complete homework, one of our teachers will let you know.

Students enrolled in Homework Club report to the assigned room right after school. A small snack is provided. ***Homework Club is over at 4:15 p.m. and we ask you to pick up your child promptly at that time.*** If you will need Extended Day after Homework Club, you must have an Extended Day contract.

If you have any questions, please contact Hilary Parker-Robertson at hilarypr@fsmn.org.

Welcome to Homework Club—we're glad you're going to be with us!
