Note: There is one Tuesday meeting, on November 4
Where: The Taiga
Cost: \$230 (13 meetings)

The ZOOMS STEM Design Challenge offers students a chance to develop a solution to a ‘real’ problem faced by zookeepers and staff at the Minnesota Zoo. This year, we’ll be designing an animal enrichment! The problem will challenge students to use science, math, creativity, engineering, design and research skills to come up with and present a solution. Selected projects will be invited to showcase their work in the ZOOMS Design Exhibition in March at the Minnesota Zoo! **Open to students in grades 5-8. Hurry, registration is limited to 12 participants.**

Contact Emily with questions about the club at emilym@fsmn.org. **Please submit your completed registration to Hilary or Travis in the Front Office by October 8.**

Registration Form

Student Name _____ **Grade** _____

\$230 - You will be billed for ZOOMS Design Challenge Club through FACTS.

Payment
